

ASCRIBE

The Builder's Association will soon be using Ascribe to power an online showcase of their members' work!

Add your projects now! The first five companies to sign up for an account (free when you enter Builders Association in the "Associations" box) and create 10 new projects with photos will get the Standard account package for FREE for the first year. The next 30 companies to do the same will get the Standard account at 50% off for the first year. For more information visit www.AscribeHQ.com and click the "See It" tab.

GET STARTED NOW

Step 1: Create your Account

Go to www.ascribehq.com and click on Plans, then choose the "Associations" plan in orange at the bottom of the page.

Step 2: Enter Your Information

Fill out some basic company information including your company name, website address, and company address. Be sure to put the Builders Association in the "Association" box when signing up.

Step 3: Join or Add Projects

Join or create projects within Ascribe. Any project you associate to will show up on the BA's website, and will display your company's digital business card with a link to your website.

Step 4: Leverage Your Network

(Optional) Upgrade your account to allow you to display unlimited projects on association websites, allow company-to-company networking, and manage your project showcase on your existing website. Your membership gets you \$200 off the upgrade price.

Ascribe includes a starter website!
